S.R. 161/Riverside Roundabout Enforcement

Senior Public Information Officer Lindsay Weisenauer from City of Dublin · 5d ago

The learning curve is over.

Dublin Police have informed me they are doing targeted enforcement at the S.R. 161/Riverside Roundabout this afternoon. They will be looking specifically for failure to yield violations and unsafe lane changes. Drive smartly and safely or risk getting a ticket.

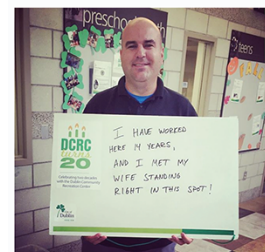

After today's "blitz," enforcement will continue. Be safe!

Shared with City of Dublin in Crime & Safety
